## **From the Dean of School**

### **Dean Hayes's Weekly Message**

Greetings Founders Community,

The Founders community always pulls together during a time of need. We are resilient and resourceful. At this time, we are still looking for teachers in math, science, computer science and foreign language. If anyone in our community knows someone who would be a good fit, please pass this information along. Thank you for your continued support.

We also look to our community for volunteers. If anyone is available to volunteer during the 4 lunches (10:55-12:55) we would greatly appreciate the support.

Additionally, we are looking for permanent study hall coverage, which is a paid position. These hours can be tailored to the needs of the perfect candidate.

Finally, we are looking for someone to work our after school program every day after school from 3:15- 6pm. This is also a paid position.

If you have any questions, please do not hesitate to reach out.

-Cassie Hayes  
Dean of School

### **The Founders Mission Statement**

The Founders Academy is a public chartered school encompassing grades 6 - 12 that is free and open to all New Hampshire students. The Academy develops leaders who understand and apply the lessons of the past, demonstrate exceptional character and lead by example. The Academy recognizes the importance of balance in the development of the whole person, and respects each student's journey.

Principled leadership is fostered by means of a curriculum of classical studies that includes analyzing the lives of great men and women of history, mining the rich classical ideals of the Western tradition, and tracing the evolution of the precious and costly idea of liberty.

## Important! Parent/Guardian Information Sessions on August 23, 2022

We strongly encourage all Founders families (returning families and new families) to attend one of these important meetings with Dean Hayes. Students are welcome!

These meetings will go over our school's mission, vision, our Leadership Code of Conduct, and our expectations of students as we begin the 2022-2023 school year.

All sessions contain the same information. Please drop in to one on August 23rd that best fits your schedule.

9:00 am - 9:30 am

12:00 pm - 12:30 pm

3:00 pm - 3:30 pm

5:00 pm - 5:30 pm

## New Family Picnic and Locker Painting for 5th-grade Families!

We're so excited to welcome all our new families to our school community with our New Family Picnic on Friday, August 26th from 12:00 pm to 1:00 pm here at The Founders Academy! Bring a bag lunch, a chair, and get the chance to meet and socialize with other new families!

After lunch, 5th-grade families that have chosen to participate in our [locker fundraiser](#) will have the opportunity to decorate and paint their locker from 12:30 pm to 1:30 pm. Your "purchase" of a 5th-grade Founders Academy locker gives your family the opportunity to leave your mark at The Founders Academy! For \$75 per locker, you'll get to paint the locker door! Do you have inspiring words of wisdom for incoming students or would you like to make the locker door a canvas that best represents your artistic talents? These lockers will forever remain in the 5th-grade wing and incoming 5th graders that purchase a locker will use that locker for the upcoming school year.

Come for just the picnic or come for both events! We look forward to meeting you and your family and welcoming you to The Founders Academy! Questions? Email [susan.forsyth@tfanh.org](mailto:susan.forsyth@tfanh.org).

## Senior Class Parent Group

A Founders parent would like to start a senior parent committee to help give our children the best senior year possible, build traditions and help grow the Founders community. The hope is that we can create a binder of ideas and traditions to pass off to the next group of senior parents for them to build upon.

The hope is to have an initial meeting in early August with the seniors and parents that want to attend to get an idea of what they would like to see happen in their senior year. Knowing that there is no budget, come up with some fundraisers that could help support these goals.

Some ideas for the seniors

- decorate their lockers
- senior parade
  - have those who have cars, decorate them and parade around school. Kids that do not, have them join their friends
- Senior Tshirts
  - have the seniors design a tshirt
- Senior week
  - senior sunrise and breakfast
  - time capsule

Some fundraising ideas:

Fall Mums - most people buy mums so it isn't asking a lot for people to buy but I would need to know this before mid August to get our name in with Dave the Mum guy (same as the other flowers we get).

Fall car wash - the kids could do this and it is mostly all profit and time

Again, it is about making our seniors have the best year possible!

It was estimated that 500,000 people would be diagnosed with Alzheimer's in 2021. The Walk To End Alzheimer's is September 24 in Manchester. A team only needs to be as big as 2 people. There is no fee to register, no minimum fundraising level, and the Walk is the largest fundraiser held to allow the Alzheimer's Association to provide 24/7 care and support, and advance research towards methods of prevention, treatment, and ultimately... a cure!

## Leadership Opportunity for High School Students

Hello Founders Academy,

My name is Asher, and I am the program coordinator for New Hampshire Teen Institute. I am reaching out to share a leadership development opportunity for high school students.

Over the last two years, there has been a lot of uncertainty and stress in everyone's lives. As we move through the world as it is now, it is important for our teens to have places to build their coping, resiliency, and leadership skills while also having the opportunity to find communities that are supportive in processing the world we live in. This summer, consider the NH Teen Institute's Summer Leadership Program!

Our Summer Leadership Program is a dynamic residential week of leadership development, self-discovery, and social connection for current high school students (freshmen – graduating seniors).

SLP brings diverse high school students from across NH and New England together through experiential workshops designed as catalysts for personal values exploration and increased school and civic engagement.

### **Sunday, August 7th – Friday, August 12th @ Lions Camp Pride in New Durham, NH**

Whether an identified leader already or still figuring out their path, this is a great opportunity for the youth in your community!

We partner with schools, organizations, and community coalitions to recruit participants and to identify financial sponsorship for teens in your area to attend. Any student interested can fill out Scholarship Opportunities at the end of the registration form and we will be in touch.

We are offering Info Sessions to anyone interested, whether that be via zoom or in person! We can give a program overview, recent alumni testimonials, and a Q&A for either teens or parents.

I've attached the link to our SLP info page which also has the link to register as well as our testimonial page to see what alums from past years have to say about the experience.
