From the Dean of School

Dean Hayes's Weekly Message

Greetings Founders Community,

As you know, we have two dismissal options at Founders. Students who are dismissed at 2:25 are picked up in the front of the building. We have several students picked up at this time and it can be tricky to find parking. Please make sure you are in an authorized spot for student safety. No one should be parked on the grass or in a space that has white lines across the space, such as the cross walk. Handicapped parking spaces are only for those with handicapped license plates or placards, even at pick up, this is the law. Occasionally, during pick up we do have someone who needs to come into the building that is handicapped. Please be mindful of that as you are parking in those spots, just for pick up, if you have a license plate or placard.

Thank you for your patience and support in keeping our students safe.

-Cassie Hayes
Dean of School

The Founders Mission Statement

The Founders Academy is a public chartered school encompassing grades 5 - 12 that is free and open to all New Hampshire students. The Academy develops leaders who understand and apply the lessons of the past, demonstrate exceptional character and lead by example. The Academy recognizes the importance of balance in the development of the whole person, and respects each student's journey.

Principled leadership is fostered by means of a curriculum of classical studies that includes analyzing the lives of great men and women of history, mining the rich classical ideals of the Western tradition, and tracing the evolution of the precious and costly idea of liberty.

Need to Know

MIDTERM EXAMS

[Here](#) is the schedule for Midterms week. **Please review carefully as there are 3 different schedules.** The schedule for 6th grade students is first. The schedules for students in grades 7-12 are based on lunch period.

If a student does not have an exam, they do not need to report to school. **If a student is going to be out for a full day due to not having an exam, the parent or guardian must call the school or email attendance@tfanh.org.**

Buses will run at regular times in the morning and afternoon. Students can be dismissed at 12:30 when exams are over via car pickup. Drop off and pickup will follow the regular pattern before 7:45am and at 12:30pm.

Students who are in school when they do not have an exam will be in a silent study hall.

Feel free to reach out with any questions.

Please review the following message from the traffic team regarding 12:30 pick up:

Dear Parents -

During our midterm exam week, a lot of parents will be picking up their students at the same time - which can become a traffic nightmare! Here are a few requests to help make this go smoothly:

- 1.) We know that some parents will come by during their lunch hour from work to pick up their children, so if you are able to be flexible with what time you pick your student up, then please aim to pick them up around 12:50. Let the 12:30 pick-up be for those parents who need to get back to work or have a pressing appointment.***
- 2.) All student pick-ups from 12:30-1:00pm will be in the back of the school. (This is obviously different to those parents used to picking up their children at the 2:35 early-dismissal time.) Just like morning drop-off, the parking lots will be one way around the school until most students have been picked up.***
- 3.) If you see the line getting very long and ending almost on Perimeter Road, then please park in one of the upper parking lots for a few minutes and wait to join the line once it gets more reasonable. (If the traffic pattern on Perimeter gets messed up, then it will slow things down for all of us.)***
- 4.) Remind your children to head right out to the pick-up area in the back of the school as soon as they can once they are dismissed. The quicker all students get into their cars, the quicker we can dismiss each "wave" of cars.***

***Thank you,
The Outdoor Traffic Team***

CALL LIST FOR IMPORTANT ANNOUNCEMENTS

When The Founders Academy has to make very important announcements - such as school delays, unplanned early dismissals, or cancellations - we use an automated dialing system.

Please fill out [this form](#) to be added to the Call List. You are able to enter which phone numbers are called. If you have more than one student, please fill out a separate form for each. **We begin each**

school year with a blank call list, so if you do not fill out this form, you will not receive any phone notifications when we have school delays or cancellations (even if you filled this out last year).

ABSENCE PROCEDURE

If your student is going to be absent, please email attendance@tfanh.org or call (603) 952-4705.

Recruiting Parent Board Members

Dear Founders Families,

The Founders Board of Trustees is eager to welcome **two new parent members** to the board to increase our effectiveness and efficiency. Since its inception, our Board has put a great deal of effort into writing/approving policies, developing a strategic plan, and planning for the future of the school, and we need more parents' volunteers for the Board in order to succeed in reaching our goals.

As our board will attest, charter school board service is a personally and professionally rewarding

opportunity to help ensure that every child has the opportunity to attend an excellent school.

If you are interested in sharing your business, grant writing, fundraising, financial or education expertise as a volunteer member of the Founders Board, our community would be very grateful.

Read on to learn why you should consider and how to join our board of trustees. We hope you'll join us!

-

Robert Best
The Founder Academy Board of Trustees, Chairman

Why become a member of the Founders Academy board? Charter school boards play a critical leadership role in supporting and determining the quality of the education delivered to its students and the long-term sustainability of the school. Every charter school board is the governing body of a publicly-funded nonprofit organization with a multi-million-dollar budget. As with all charter school boards, Founders board is responsible for ensuring that the school has strong leadership, sound finances, effective fundraising, and high academic achievement.

Need further incentive? Here's a recent an article highlighting how joining a non-profit board can boost your career,
<https://diversitybomagazine.com/career-development/how-serving-on-non-profit-boards-can-boost-your-career/>

Who can apply? Any parent or guardian of a Founders Academy student

What are the duties of a Founders Board member? We set policies, hire and evaluate the school director, work with our parent organization (the PTSG), oversee the budget, fundraise, community relations, and other tasks, as needed to ensure the continued strength and success of the school. We ask that you participate in monthly board meetings, join a minimum of one committee and attend as many community events as possible

Who is on the board today? Angela Seggie (parent representative), Frank Weiss, Kimberley Lavallee (co-founder and vice-chair), Kyle Fox (treasurer), Patricia Humphrey (co-founder and secretary) and Robert Best (chairman).

When does the board meet? Every third Wednesday of the month at 6PM at our school. We encourage interested members to attend a Board of Trustees Meeting to observe what type of issues are discussed and how important decisions affecting The Founders Academy are made. **The next meeting of the Board of Trustees will be held on Wednesday, November 16th, starting at 6:00 PM in the room to the left of the hallway after you pass through our main entrance.**

What is the process to become a board member? Interested parents apply by sending their resume/CV to Angela Seggie angela.seggie@tfanh.org or Kimberley Lavallee kimberly.lavallee@tfanh.org by November 11th. The Parent Advisory Committee formed by the board, will invite the interested parents to meet with our parent advisory committee November 14th and/or 15th to learn more about you and answer your questions. On November 16th we invite all nominees for a parent board seat to the board meeting to meet current board members and participate in a short question and answer period. The board will conduct a vote that evening and the new term will start at the January board meeting.
