Dean Hayes's Weekly Message

Greetings Founders Community,

We are still recruiting for the 23-24 school year. We have space available in some grade levels and short waitlists in others. Spread the word today!

We are also still looking to fill a few spots in English, Spanish and our Tech departments. Let us know if you have any special talents or know someone who would be a great fit on our team!

The Founders Mission Statement

The Founders Academy is a public chartered school encompassing grades 5 - 12 that is free and open to all New Hampshire students. The Academy develops leaders who understand and apply the lessons of the past, demonstrate exceptional character and lead by example. The Academy recognizes the importance of balance in the development of the whole person, and respects each student's journey.

Principled leadership is fostered by means of a curriculum of classical studies that includes analyzing the lives of great men and women of history, mining the rich classical ideals of the Western tradition, and tracing the evolution of the precious and costly idea of liberty.

Recruiting Parent Board Members

Dear Founders Families,

The Founders Board of Trustees is eager to welcome **two new parent members** to the board to increase our effectiveness and efficiency. Since its inception, our Board has put a great deal of effort into writing/approving policies, developing a strategic plan, and planning for the future of the school, and we need more parents' volunteers for the Board in order to succeed in reaching our goals.

As our board will attest, charter school board service is a personally and professionally rewarding opportunity to help ensure that every child has the opportunity to attend an excellent school.

If you are interested in sharing your business, grant writing, fundraising, financial or education expertise as a volunteer member of the Founders Board, our community would be very grateful.

Read on to learn why you should consider and how to join our board of trustees. We hope you'll join us!

-Robert Best

The Founder Academy Board of Trustees, Chairman

Why become a member of the Founders Academy board? Charter school boards play a critical leadership role in supporting and determining the quality of the education delivered to its students and the long-term sustainability of the school. Every charter school board is the governing body of a publicly-funded nonprofit organization with a multi-million-dollar budget. As with all charter school boards, Founders board is responsible for ensuring that the school has strong leadership, sound finances, effective fundraising, and high academic achievement.

Need further incentive? Here's a recent an article highlighting how joining a non-profit board can boost your career,
<https://diversitybomagazine.com/career-development/how-serving-on-non-profit-boards-can-boost-your-career/>

What are the duties of a Founders Board member? We set policies, hire and evaluate the school director, work with our parent organization (the PTSG), oversee the budget, fundraise, community relations, and other tasks, as needed to ensure the continued strength and success of the school. We ask that you participate in monthly board meetings, join a minimum of one committee and attend as many community events as possible

Who is on the board today? John Bauer (parent representative), Frank Weiss, Kimberley Lavallee (co-founder and vice-chair), Kyle Fox (treasurer), Patricia Humphrey (co-founder and secretary) and Robert Best (chairman).

When does the board meet? Every third Wednesday of the month at 6PM at our school. We encourage interested members to attend a Board of Trustees Meeting to observe what type of issues are discussed and how important decisions affecting The Founders Academy are made.

What is the process to become a board member? Interested parents apply by sending their resume/CV to Kimberley Lavallee kimberly.lavallee@tfanh.org.

NHDOE: Rekindling Curiosity Program

New Hampshire Department of Education
**reKINDling
CURIOSITY**
Every New Hampshire kid
goes to camp!

SUMMER 2023

Up to \$750 in camp fees* covered.

Our goal for New Hampshire students is that they return to learning in the fall with rekindled curiosity, rejuvenated energy, excitement and anticipation.

Space is limited!

As a result of school closures and the need to implement remote and hybrid instructional models across the state, as well as the broader community disruption from the pandemic, there are growing concerns around the mental and behavioral health of New Hampshire students.

The preponderance of evidence indicates that students of all ages, backgrounds, and abilities benefit from exposure to short-term summer enrichment programs, including in the areas of challenge, friend-making, positivity, and emotional safety. Additionally, Psychology Today identified important factors to helping student mental health in its March 19, 2020 article, “Improving Student Mental Health During the COVID-19 Crisis.” Two of these factors directly related to this program include the benefits of exercise and appropriate social activity.

For many children, especially those from low-income background or with disabilities, accessing summer enrichment opportunities supporting social, emotional, and mental health is more important than ever.

During the summers of 2021 and 2022, in response to the COVID-19 pandemic’s impact on student social, emotional, and mental health, the Department of Education, using federal COVID-19 response funds, offered this program to help pay the youth recreation

camp fees of students from low-income households to improve student social, emotional, and mental wellness and support continued development of the whole child, especially by alleviating student anxiety and trauma resulting from the COVID-19 pandemic. These experiences were designed to help New Hampshire students return to in-person school with a rekindled curiosity, excited and anticipating a return to academic instruction.

As a result of the success of this program during the summers of 2021 and 2022, the Department of Education will continue the program for summer 2023, and we are hopeful that many families will be able to take advantage of this opportunity.
