Dean Hayes's Weekly Message

Greetings Founders Community,

As you know, there is a nationwide shortage in the education world. We have been feeling it at Founders as well. Over the past few months we have been actively looking to fill the positions we have open and have been moving our current staff around to provide the best opportunities for our students.

As of Monday, October 17th, we anticipate all classes will have dedicated teachers. We will keep you updated if anything changes. We are thankful for our staff and community members who have stepped up to give our students the best education possible.

Founders is a school of choice. Each of you have chosen our school for your students because of our mission. Thank you for sticking with us during this challenging time and choosing Founders!

-Cassie Hayes
Dean of School

The Founders Mission Statement

The Founders Academy is a public chartered school encompassing grades 5 - 12 that is free and open to all New Hampshire students. The Academy develops leaders who understand and apply the lessons of the past, demonstrate exceptional character and lead by example. The Academy recognizes the importance of balance in the development of the whole person, and respects each student's journey.

Principled leadership is fostered by means of a curriculum of classical studies that includes analyzing the lives of great men and women of history, mining the rich classical ideals of the Western tradition, and tracing the evolution of the precious and costly idea of liberty.

Need to Know

PLEASE SUBMIT BACK TO SCHOOL FORM

The back to school form was due on September 16. If you haven't yet, **please fill it out ASAP**. The information is important to keep your student safe. You should have received an email with another link this week, if you haven't submitted a form yet.

Please do not use your phone to fill out the form; it will not work unless you're using a computer/laptop. If you have difficulty attaching the immunization records, you can send in a hard copy to school with your student.

If you have any questions or issues, please email jayda.ragas@tfanh.org.

CALL LIST FOR IMPORTANT ANNOUNCEMENTS

When The Founders Academy has to make very important announcements - such as school delays, unplanned early dismissals, or cancellations - we use an automated dialing system.

Please fill out [this form](#) to be added to the Call List. You are able to enter which phone numbers are called. If you have more than one student, please fill out a separate form for each. **We begin each school year with a blank call list, so if you do not fill out this form, you will not receive any phone notifications when we have school delays or cancellations (even if you filled this out last year).**

ABSENCE PROCEDURE

If your student is going to be absent, please email attendance@tfanh.org or call (603) 952-4705.

A Founders Family Could Use Your Help!

One of our 5th grade students and his family lost their house and their possessions to a fire. We are accepting any type of donation, big or small, to help this family out. Here is the link to the GoFundMe page: <https://gofund.me/304408ac>. Thank you for your generosity!

Also, here is another event to help raise money for the family:

Dear Greater Manchester Baseball League,

Our league is coordinating with the Youngsville Athletic Association and Stark Brewery to rally support and organize a fundraiser to help one of our own. As you know, if you've participated in our league for a season or many...we consider each participant no matter the capacity a member of the GMCL family. With that said, we are coming together to help support a family that has been a member of our league for several years.

On Friday, September 9th Coach Vinny Solis, his wife Tonya, and sons Izaiah and Alex tragically lost their home in a fire. Thankfully they were able to get out unharmed but nearly all of their belongings along with a family pet were lost in the devastation that took their home. We are grateful the Solis family is healthy and unharmed physically by the damages of this tragedy.

Coach Vinny Solis has dedicated many years to coaching throughout the Pony and Colt divisions, pouring his heart into the players he coaches each season and throughout the Manchester Community. Additionally, last year his family poured an incredible amount of time and energy as Coach Vinny took a month off work when he committed to being a Coach for our 14U All Stars that competed throughout the month of July-August to become the first ever NH Pony World Series Participants. The contribution and dedication the Solis family has made to our league is beyond expression with words. They have given so much, and now it is our turn to return the kindness they have always shown others without hesitation. We would like to do all that we can to help their family as they transition through what we all hope no other has to ever endure.

On Thursday, November 3rd at 7:00pm the Stark Brewery will host a reception and light appetizers for the Solis Family Fundraiser for Vinny, Tonya, Izaiah, and Alex; Adults and kids are welcome! There will be 50/50 raffle, Game day tickets for Bruins, Celtics and Patriots as well as silent auction items throughout the event. Tickets for this event are being sold

for \$10 with 100% of all proceeds of this event going directly to the Solis family!

Tickets can be purchased at the Pony Field snack shack during any game this season or directly from Steve Fosman or Joe Blodgett. Cash and checks are accepted; please make out checks to YAA and in the memo line kindly add *Solis Family Fundraiser*. If you have any connections to local businesses that would be willing to donate gift cards or other items to be raffled off that night we would greatly appreciate any and all help as we rally behind this event.

Please consider purchasing tickets to support a family that has donated much of their time to the various youth baseball organizations throughout the Manchester Community and spend some time with friends to help make a difference! Thank you all for your consideration and support of this event!

Board Game Donations for 6th Grade

The 6th grade is looking for donations of gently used board games and card games for their Round Table fellowship days. Thank you in advance for your donation!

Playground Ball Donations

Our well-loved playground basketballs, soccer balls, and footballs have reached the age of retirement and could use some replacements to help the kids have fun during recess and to let out all of their energy! If you have any playground balls that are in good shape and would like to donate, we would greatly appreciate it!

Highly Needed Items

We are currently in need of **ramen cups, mac and cheese cups, paper towels, paper bowls, and tissues**. Thank you in advance!
