## THE BUDDY PROJECT

The Buddy Project brings 11th and 5th graders together every Monday Roundtable to explore the world of knowledge, books, and friendships. These older students will be paired with either one or two 5th graders to enjoy conversation, fun activities, and reading. The foundation of the project is based on teaching our younger Founder's students about leadership skills and living up to the Founder's Code of Conduct, but it is also intended to provide them a space for laughter, creativity, and most of all fun!

## EIGHTH GRADE CELEBRATION VOLUNTEERS NEEDED

Each year we celebrate our 8th graders. In recent years, a group of 8th grade parents organized the event. If there are any parents interested in working on this celebration, please reach out to Dean Hayes. We will make sure there is a celebration one way or another but the best way to make the event as detailed as possible is for a group of passionate parents to take the reins!

## STAFF 2 WAY RADIO FUNDRAISER

Please assist us in outfitting our staff with reliable 2 way radios. Our staff relies on reliable radios for a myriad of safety purposes and protocols on campus all throughout the day.

Purchasing a new set of reliable radios has become a necessity for our school.

The school Parent-Teacher-Student Group has generously purchased 10 of the radios needed, but we still need to raise the funds to purchase the remaining 50 radios to outfit the entire school staff.

Please consider donating to this fund so that we can replace our radios; anything is appreciated!

Thank you so much in advance for your support of our wonderful staff!

## DONORSCHOOSE: NEW CHAIRS FOR MRS. NICHOLS'S CLASS

Mrs. Nichols has never lacked creativity when it comes to engaging her students. She's even gone as far as to paint the desktops with whiteboard paint so that her students can visualize their math work in a whole new and tangible way.

Unfortunately, even her creative mind cannot fix her classroom's worn down chairs, which are becoming a distraction due to their lack of comfort.

Can you help solve this problem?

Any donation is greatly appreciated!

## IPLATFORM FOR THE GENERAL PUBLIC FREE WEBINAR

Wednesday, February 7  
6:00 - 7:00 p.m.

Platform is the primary NHED tool to publicly share school performance data.

Please join us to explore the NHED iPlatform system, including iReport and iExplore, and iAchieve, an extension to iPlatform that was released last year to provide a more in-depth exploration of state assessment data.
