Please remember to call the school if your child will not be here for any reason (including no exam or an exemption). THE BUDDY PROJECT

The Buddy Project brings 11th and 5th graders together every Monday Roundtable to explore the world of knowledge, books, and friendships. These older students will be paired with either one or two 5th graders to enjoy conversation, fun activities, and reading. The foundation of the project is based on teaching our younger Founder's students about leadership skills and living up to the Founder's Code of Conduct, but it is also intended to provide them a space for laughter, creativity, and most of all fun!

STAFF 2 WAY RADIO FUNDRAISER

Please assist us in outfitting our staff with reliable 2 way radios. Our staff relies on reliable radios for a myriad of safety purposes and protocols on campus all throughout the day. Purchasing a new set of reliable radios has become a necessity for our school.

The school Parent-Teacher-Student Group has generously purchased 10 of the radios needed, but we still need to raise the funds to purchase the remaining 50 radios to outfit the entire school staff.

Please consider donating to this fund so that we can replace our radios; anything is appreciated!

Thank you so much in advance for your support of our wonderful staff!

FOUNDERS ALUMNI RETURN TO SHARE COLLEGE EXPERIENCES

Founders was delighted to welcome back alumni from the 2021, 2022, and 2023 graduating classes on January 4, 2024, to speak with Founders juniors and seniors about their experiences transitioning from high school to post-secondary experiences.

A MESSAGE FROM SCHOOLMD

The most common reason students come to the health office is "I have a headache"!

Fortunately, after an evaluation we discover almost all are minor and may have been prevented or controlled with simple measures at home.
