The Founders Mission Statement

The Founders Academy is a public chartered school encompassing grades 5 - 12 that is free and open to all New Hampshire students. The Academy develops leaders who understand and apply the lessons of the past, demonstrate exceptional character and lead by example. The Academy recognizes the importance of balance in the development of the whole person, and respects each student's journey.

Principled leadership is fostered by means of a curriculum of classical studies that includes analyzing the lives of great men and women of history, mining the rich classical ideals of the Western tradition, and tracing the evolution of the precious and costly idea of liberty.

Quote of the Week

A photograph of a vast field of sunflowers under a dramatic sunset sky. The sun is low on the horizon, casting a warm, golden glow over the scene. The sunflowers are in various stages of bloom, with some fully open and others still budding. The sky is filled with soft, wispy clouds, and the overall atmosphere is peaceful and inspiring.

"When we honor our flag, we honor what we stand for as a nation—freedom, equality, justice, and hope."
~ Ronald Reagan

Alma Forms and Notifications

Now that we are halfway through the first quarter and the back to school rush of information has

subsided a bit, we want to send out a gentle reminder to our families regarding our new portal system, Alma.

It is **imperative** that parents and guardians complete the **back to school information update form**. This form provides much needed information updates and assures that we have the correct information on file for each of our students (address, emergency contacts, parent permissions...etc.). For your convenience, Assistant Dean Mihaly created a [walkthrough video](#), detailing exactly where to find this form in Alma.

Additionally, we wanted to provide a [walkthrough](#) to show parents and guardians how to set their **notification preferences** in Alma. Parents can choose how they want to receive emergency alerts, as well as attendance and assignment notifications.

Should you have any questions regarding Alma, please feel free to reach out to kelsey.marot@tfanh.org.

Picture Permissions

Please fill out [this form](#) to let us know whether or not you give permission for your child(ren) to be photographed while at Founders Academy. These photos may be used in the yearbook, on social media, and/or through other public forms.

Student Parking Passes

Student drivers who park at the school are required to fill out a [Student Driver Agreement Form](#). This form needs to be resubmitted at the change of each school year.

Forms, documentation, and \$50 fees can be turned in to Mrs. Evans at the front desk.

Please send any questions to judith.evans@tfanh.org

Recruiting Parent Board Members

Dear Founders Families,

The Founders Board of Trustees is eager to welcome **two new parent members** to the board to

increase our effectiveness and efficiency. Since its inception, our Board has put a great deal of effort into writing/approving policies, developing a strategic plan, and planning for the future of the school, and we need more parents' volunteers for the Board in order to succeed in reaching our goals.

As our board will attest, charter school board service is a personally and professionally rewarding opportunity to help ensure that every child has the opportunity to attend an excellent school.

If you are interested in sharing your business, grant writing, fundraising, financial or education expertise as a volunteer member of the Founders Board, our community would be very grateful.

Read on to learn why you should consider and how to join our board of trustees. We hope you'll join us!

-Robert Best

The Founder Academy Board of Trustees, Chairman

Why become a member of the Founders Academy board? Charter school boards play a critical leadership role in supporting and determining the quality of the education delivered to its students and the long-term sustainability of the school. Every charter school board is the governing body of a publicly-funded nonprofit organization with a multi-million-dollar budget. As with all charter school boards, Founders board is responsible for ensuring that the school has strong leadership, sound finances, effective fundraising, and high academic achievement.

Need further incentive? Here's a recent an article highlighting how joining a non-profit board can boost your career,

<https://diversitybomagazine.com/career-development/how-serving-on-non-profit-boards-can-boost-your-career/>

Who can apply? Any parent or guardian of a Founders Academy student

What are the duties of a Founders Board member? We set policies, hire and evaluate the school director, work with our parent organization (the PTSG), oversee the budget, fundraise, community relations, and other tasks, as needed to ensure the continued strength and success of the school. We ask that you participate in monthly board meetings, join a minimum of one committee and attend as many community events as possible

Who is on the board today? John Bauer (parent representative), Frank Weiss, Kimberley Lavallee (co-founder and vice-chair), Kyle Fox (treasurer), Patricia Humphrey (co-founder and secretary) and Robert Best (chairman).

When does the board meet? Every third Wednesday of the month at 6PM at our school. We encourage interested members to attend a Board of Trustees Meeting to observe what type of issues are discussed and how important decisions affecting The Founders Academy are made.

What is the process to become a board member? Interested parents apply by sending their resume/CV to Kimberley Lavallee kimberly.lavallee@tfanh.org.

The Buddy Project

The Buddy Project

The Buddy Project brings 11th and 5th graders together every Monday Roundtable to explore the world of knowledge, books, and friendships. These older students will be paired with either one or two 5th graders to enjoy conversation, fun activities, and reading. The foundation of the project is

based on teaching our younger Founder's students about leadership skills and living up to the Founder's Code of Conduct, but it is also intended to provide them a space for laughter, creativity, and most of all fun!

How can you help? We're looking for book donations from the list below for our buddies to read together!

Donors Choose: Counselor's Corner

Our 5th and 6th grade School Counselor, Ms. Barrett has created a new [Donors Choose fundraiser](#).

This is her first year with Founders, and after a full month of school, she realized the importance of a comfy inviting space for a student to feel safe, talk over some worries, or just take a brain break. After looking over her office space, she realized she has a way to go.

She's put together a short list of some things she is in need of right now. Her list contains some fidgets, SEL games, and a comfy chair to rest in.

Please consider donating to help create a more welcoming space for our younger students.

Amazon Wish List: Physical Education Needs

Physical Education is an important part of our 6th grade curriculum here at Founders Academy. We would love to add some more equipment to the class and could use your help!

We're looking for donations of [tennis balls](#), [badminton shuttlecocks](#), [low bounce street hockey balls](#), and [a bin to store street hockey sticks](#).

All purchases will directly impact our students' experience in the classroom.
